Committee:-	Finance and Governance Committee
Date:-	19 <sup>th</sup> June 2024
Author:-	Martin Hammond, Clerk
Report Title:-	Climate Change Local Nature Recovery Strategy
Wards Affected:-	All

**INFORMATION PROVIDED BY NENE RIVERS TRUST TO ALL TOWN AND PARISH COUNCILS**

Please find below, information in relation to the Local Nature Recovery Strategy that is being developed by North Northamptonshire Council. The Nene Rivers Trust is working in partnership with both the North and West Northamptonshire Councils to engage and consult with stakeholders and interested parties.

Below provides details of an online workshop, specifically aimed at Town and Parish Councils. Please use the link within the email to book a place if you are interested.

**Together with Nature – developing a strategy for nature recovery in Northamptonshire.**

A Local Nature Recovery Strategy is being developed by North and West Northamptonshire Council with the help of local people and representatives living and working in the landscape. Local Nature Recovery Strategies will set priorities for nature recovery by identifying habitats and species which are important to conserve and seek opportunities where biodiversity can be increased.

Nene Rivers Trust, as part of the engagement process have created a number of events to invite people and organisations to feed into the development of the strategies. This includes an online workshop event specifically for Parish Council representatives. This will be held on **Thursday, 20th June at 4.30pm – 6pm**. This workshop is for Parish clerks and representatives who are interested to hear more about Local Nature Recovery plans and directly influence the content of the emerging strategy.

Please use the following link to book your attendance: <https://nene-rivers-trust-cio.idloom.events/lhrs-parish-council-workshop>

**Additional information sessions:** If any individual Parish Council would like us to come and talk directly to their parish group, we have some availability between 17th and 20th June, days and evenings. Please contact us directly at [info@nenerivertrust.org](mailto:info@nenerivertrust.org), including 'LNRS Parish engagement' in the subject line. Let us know if you would like a workshop (typically 90minutes) or a short presentation and include your preferred dates, time and location.

We also encourage interested people to [subscribe](#) to the LNRS e-newsletter for updates about events and progress. This will be published monthly via an e-mail. The first being issued at the end of May.

To learn more about the progress of the strategies in your area visit: North Northants council: [www.northnorthants.gov.uk/lhrs](http://www.northnorthants.gov.uk/lhrs)
